

# Web / Editorial Tech

Are you the kind of person who likes to post the latest news online? If so, we want to talk to you. We are currently looking for an individual who will enjoy updating our website & social media site in addition to assisting with the creation of eye-catching headlines. This person will support our editorial department with day-to-day operational tasks. Pagination experience is preferred, however, we are willing to train the right individual. Adept computer skills a must. Strong spelling and grammar skills preferred. Must be able to work weekends. NSE EEOE.
